# Aspie Girls Camp!

Ages 10-13

SOUTHEAST  
PSYCH

Aspie Camp is a place for girls to have fun, develop skills, and meet other great girls! Camp will provide an opportunity to learn about Asperger's, practice social and relaxation skills, meet friends, and create lasting memories. Games, role plays, team building activities, and crafts are just a few of the fun things you'll do!

**July 12-15 from 9:00am - 12:00pm**

**July 12th:** Asperger's and You; intro to camp and Asperger's, get-to-know-you games, social skills role plays

**July 13th:** Detective Day; get to know others, solve mysteries as an investigative reporter, play a secret mystery game that will involve teamwork and clues

**July 14th:** Spa Day; learn about anxiety and Asperger's, develop relaxation skills and tools, kick back and relax

**July 15th:** Review and Celebration; test your knowledge, prepare for future social situations and ways to stay in touch, pizza party to celebrate our great time together all week

Jessica Bloomfield, Psy.D. and Lauren King, M.A. are psychologists at Southeast Psych who specialize in treating children and adolescents. As former campers themselves, these ladies are prepared to create memorable experiences for your daughters and their friends as Asperger's brings them together rather than setting them apart.
